Presentation Products

Presentation folders allow you to tailor your message specifically toward your target audience by permitting you to customize the material you insert in the folder.

Our Laser Check Program offers three tiers of secure, software compatible laser checks, each with its own distinctive features providing the versatility to meet every budget requirement.
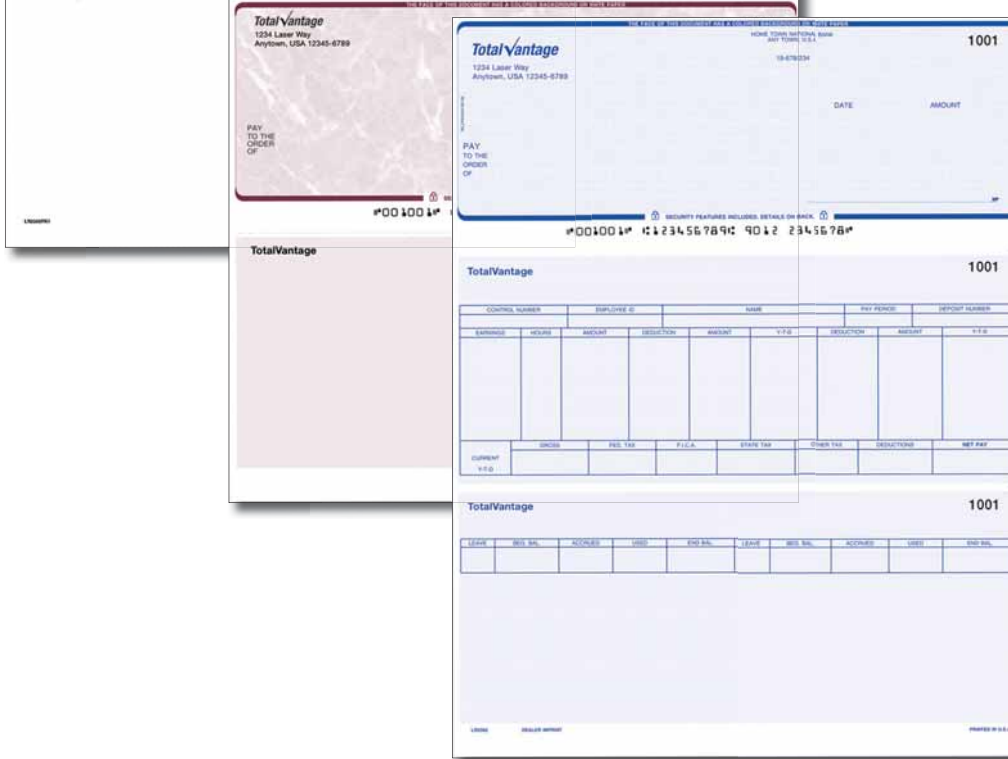

Tier 1

Basic Black Imprint Laser Checks are economically priced and offer 10 printed security features, plus one pantograph with four color options.

Tier 2

Standard Black Imprint Laser Checks are competitively priced and offer a minimum of 12 security features, plus a choice of 14 colors and pantograph options and a variety of perforation positions.

Tier 3

Standard Plus Laser Checks enable you to create your own unique look with over 50 pantograph and border options, 20 colors to choose from and a minimum of 12 security features.

Our Laser Check Program is designed for small businesses to large corporations and offers a variety of security and design levels to meet your needs and your bottom line. All we need to get started is a sample of your current check and the name of your software program.

We offer a complete line of compatible envelopes to complement our checks and forms
